2.2 The Assignee hereby accepts the foregoing assignment, subject to the terms hereof.

2.3 Notwithstanding the foregoing, so long as the Assignee has not declared the Lease Agreement to be in default pursuant to Section 15 thereof, and after such declaration if and so long as all Events of Default thereunder have been cured in accordance with the Lease Agreement, the Assignee hereby authorizes the Assignor to exercise to the exclusion of the Assignee, and the Assignor shall exercise in the Assignor's name, all rights and powers of the "Buyer" under the Purchase Agreement including, without limitation, the right to retain any recovery or benefit resulting under the Purchase Agreement in respect of the Items of Equipment, except that;

(a) the Assignor may not exercise any of the rights assigned hereunder referred to in clause (a) of Section 2.1 unless prior to the exercise thereof the Assignee shall have delivered on the Delivery Date to the Manufacturer written notice that the Assignee has released such rights with respect to the Items of Equipment; and

(b) the Assignor shall not enter into any change order or other amendment, modification or supplement to the Purchase Agreement without the prior written consent of the Assignee if such change order, amendment, modification or supplement would:

(ii) increase the purchase price of the Items of Equipment to an amount in excess of the Purchase Price (without prejudice to the operation of Section 7);

(iii) postpone the Delivery Date beyond June 30, 1991 (without prejudice to the operation of Section 7); or

3.1 It is expressly agreed that, anything herein contained to the contrary notwithstanding:

(a) prior to the Delivery Date the Assignor shall secure execution by the Manufacturer of the "Consent, Agreement and Limited Joinder" attached as Annex A hereto;

(b) prior to the Delivery Date the Assignor shall perform the obligations to be performed by it with respect to each Item of Equipment under the Purchase Agreement on or before the Delivery Date;

(c) the Assignor shall exercise its rights and perform its obligations under the Purchase Agreement to the extent that such rights and obligations have not been assigned hereunder;

(d) the Assignor will at all times remain liable to the Manufacturer under the Purchase Agreement to perform all the duties and obligations of the "Buyer" thereunder to the same extent as if this Agreement had not been executed;

(e) the exercise by the Assignee of any of the rights assigned or performance of the duties or obligations assumed hereunder will not release the Assignor from any of its duties or obligations to the Manufacturer under the Purchase Agreement, except to the extent that such exercise by the Assignee will constitute performance of such duties and obligations; and

(f) except as provided in Sections 3.5 and 4 below, the Assignee will not have any obligation or liability under the Purchase Agreement (including, in particular but without limitation, any liability under Section 9 of the Purchase Agreement for payment of any taxes referred to therein, the obligation for the payment of which will remain with the Assignor as provided in paragraph (d), above) by reason of, or arising out of or in connection with, this Agreement or be obligated to perform any of the obligations or duties of the Assignor under the Purchase Agreement or to make any payment (other than to pay to the Manufacturer an amount equal to the Purchase Price on the Delivery Date, to the extent and upon the terms and conditions set forth in the Purchase Agreement, this Agreement and the Consent, Agreement and Limited Joinder) or to make any inquiry as to the sufficiency of any payment received by it or to present

or file any claim or to take any other action to collect or enforce a claim for any payment assigned hereunder.

3.2 Nothing contained herein will subject the Manufacturer to any liability to which it would not otherwise be subject under the Purchase Agreement or modify in any respect the Manufacturer's contract rights thereunder nor require the Manufacturer to transfer title to or possession of the Items of Equipment prior to receipt of payment in full of the Purchase Price therefor as provided in the Purchase Agreement; provided, that payment by the Assignee of the Purchase Price will constitute payment in full of the purchase price of the Items of Equipment referred to in Section 2 of the Purchase Agreement as having a "1st Half 1991" delivery.

3.3 The Assignor hereby appoints and constitutes, effective upon the occurrence of an Event of Default under the Lease Agreement and so long as such Event of Default is continuing thereunder, the Assignee, and its successors and assigns, the Assignor's true and lawful attorney, irrevocably, with full power (in the name of the Assignor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all monies and claims for monies due and to become due under or arising out of or in connection with the Purchase Agreement to the extent that the same have been assigned by this Agreement and, for such period as the Assignee may exercise rights with respect thereto under this Agreement, to endorse any checks, drafts, orders or other instruments in connection therewith and to file any claims or take any action or institute (or, if previously commenced, assume control of) any proceedings and to obtain any recovery in connection therewith that the Assignee may deem to be necessary or advisable with respect to such monies and claims for monies.

3.4 (a) Any notice, declaration, instruction, demand, request, consent, approval or other communication (a "communication") to be made under or pursuant to this Agreement will be made only in writing and may be given by airmail, telegram, cable, telecopy or telefax or any other customary means of communication, and any such communication shall be effective when delivered (i) if to the Manufacturer, at General Electric Company, Transportation Systems Business Operations, 2901 East Lake Road, Erie, PA 16531, Attention: General Counsel, Transportation Systems Business Operation, Telecopy/Telefax: 814-875-2724, or at such address as Manufacturer may from time to time designate and the Manufacturer shall be entitled and obligated to treat any such communication made by the Assignee as a communication for all purposes of this Agreement, (ii) if to Assignor, at Six Penn Center Plaza, Philadelphia, Pennsylvania 19103, Attention: Assistant Treasurer-Financing, Telecopy/Telefax: (215) 977-5346, or at such address as Assignor may from time to time designate, and (iii) if to Assignee, c/o Babcock & Brown, Incorporated, 639 Front Street, Suite 400, San Francisco, California 94111, Attention: Head of Contract Administration, Telecopy/Telefax: (415) 391-8488, with a copy to Nomura Babcock & Brown Co., Ltd., at Dai-Ichi Edobashi Building, 1-11-1 Nihonbashi, Chuo-ku, Tokyo 103, Japan, Attention:

General Manager, Telecopy/Telefax: 81-3-3281-0215, or at such other address as Assignee may from time to time designate.

(b) The Manufacturer will not be deemed to have knowledge of, and need not recognize, the occurrence, continuance, or discontinuance of an Event of Default under the Lease Agreement or any Item of Equipment being no longer subject to the Lease Agreement unless the Manufacturer has received from the Assignee written notice thereof, and in acting in accordance with the terms and conditions of the Purchase Agreement and this Agreement, the Manufacturer may rely conclusively upon any such notice. To the extent that the Assignee asserts any claims or exercises any rights under the Purchase Agreement, the Manufacturer will deal solely and exclusively with the Assignee as the "Buyer" under the Purchase Agreement. Promptly after all Events of Default under the Lease Agreement have been remedied or such Item of Equipment once again becomes subject to the terms of the Lease Agreement, the Assignee shall give written notice of the same to the Manufacturer, with a copy to the Assignor and upon the Manufacturer's receipt of such notice, the Assignor will have all of the rights that it has hereunder and under the Consent, Agreement and Limited Joinder in the absence of notice from the Assignee of an Event of Default.

3.5 Without in any way releasing the Assignor from any of its duties or obligations under the Purchase Agreement, the Assignee confirms for the benefit of the Manufacturer that, insofar as the provisions of the Purchase Agreement relate to the Items of Equipment in exercising any rights under the Purchase Agreement or in making any claim with respect to any Item of Equipment or other goods or services delivered or to be delivered pursuant to the Purchase Agreement, the terms and conditions of the Purchase Agreement, including, without limitation, the assignment provision will apply to and be binding upon the Assignee to the same extent as the Assignor; provided, however, that nothing contained in this Agreement will in any way diminish or limit the provisions of the Assignor's agreement in Section 8 below with respect to any liability of the Assignee.

#### SECTION 4. PAYMENTS

4.1 Subject to the satisfaction or waiver by the Assignee of the conditions set forth in Section 3 of the Equity Participation Agreement required to be satisfied on or prior to the Delivery Date and further subject to Section 7 hereof, the Assignee agrees to pay on the Delivery Date to the Manufacturer, in consideration for the transfer of all the right, title and interest in and to the Items of Equipment in accordance herewith, the Purchase Price by transfer of the amount thereof to the account specified by the Manufacturer.

4.2 Notwithstanding any other provision herein, in the event that any change in any applicable law, rule or regulation or in the interpretation or administration thereof will make it unlawful for the Assignee to pay or fund the Purchase Price, then the

Assignee will forthwith notify the Assignor thereof, and the obligation of this Agreement, including that of the Assignee to pay the Purchase Price pursuant to Section 4.1, will, if such payment has not been made, cease to have any effect and this Agreement will be without further force or effect, except that the Assignor will remain responsible to the Manufacturer under Sections 3.1(d) and (e) of this Agreement and except that such termination will not affect the obligations of the Assignor under the Purchase Agreement.

## **SECTION 5. FURTHER INSTRUMENTS**

The Assignor agrees that at any time and from time to time, upon the written request of the Assignee, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as the Assignee may reasonably request in order to obtain the full benefits of this Agreement and of the rights and powers herein granted.

## **SECTION 6. REPRESENTATIONS AND WARRANTIES**

6.1 The Assignor hereby represents and warrants that:

- (a) a true and complete copy of the Purchase Agreement has been furnished to the Assignee;
- (b) the Purchase Agreement is in full force and effect and is enforceable in accordance with its terms;
- (c) the Assignor is not in default under the Purchase Agreement;
- (d) the Purchase Price constitutes full, adequate and fair consideration for the Items of Equipment; and
- (e) the Assignor has not assigned, mortgaged, charged, pledged or encumbered the whole or any part of the rights assigned hereby with respect to any or all of the Items of Equipment under the Purchase Agreement to anyone other than the Assignee.

6.2 The Assignor hereby covenants that:

- (a) the Assignor shall not assign, mortgage, charge, pledge or encumber, so long as this Agreement remains in effect, the whole or any part of the rights hereby assigned with respect to any or all of the Items of Equipment under the Purchase Agreement to anyone other than the Assignee; and

(b) upon delivery of the Items of Equipment to the Assignee pursuant to the Purchase Agreement and this Agreement, the Assignee will acquire such title to the Items of Equipment as would have been conveyed to the Assignor under the Purchase Agreement but for the execution of this Agreement and that the Items of Equipment will be free and clear of all liens arising from the act of the Assignor.

## SECTION 7. TERMINATION

7.1 Upon the occurrence of an Event of Default under the Lease Agreement, or if the Items of Equipment have not been delivered by June 30, 1991, the Assignee will have the right to terminate this Agreement by notice given to the Assignor and the Manufacturer.

7.2 If any of the conditions set forth in Section 3 of the Equity Participation Agreement are not satisfied or waived as of the Delivery Date, the Assignee will have the right to terminate this Agreement by notice to the Assignor and the Manufacturer, whereupon the Assignee will have no further obligation to the Assignor or the Manufacturer hereunder.

7.3 If the Assignee fails to perform its obligation to purchase the Items of Equipment on the Delivery Date, the Assignor will have the right to terminate this Agreement by giving written notice thereof to the Assignee and the Manufacturer.

7.4 Upon such termination neither party will have any further obligations hereunder, except that the Assignor will remain responsible to the Manufacturer under Sections 3.1(d) and (e) of this Agreement and the Assignor will remain liable to the Assignee under Section 8 of this Agreement, and that such termination will not affect the obligations of the Assignor under the Purchase Agreement, including, without limitation, the obligation that, as between the Manufacturer and the Assignor, should any termination hereunder cause any delay in delivery of the Items of Equipment, the Assignor will be liable for any costs of such delay under the Purchase Agreement.

## SECTION 8. INDEMNITIES

The Assignor hereby undertakes to indemnify and hold harmless the Assignee from all claims, costs, expenses, damages and liabilities of whatever kind and nature imposed on, incurred by or asserted against Assignee in any way relating to or arising out of or in connection with the Purchase Agreement and this Agreement or any action or inaction of the Assignor in connection with the Purchase Agreement and this Agreement unless such claims, costs, expenses, damages and liabilities are attributable to or caused by the willful misconduct or gross negligence of the Assignee.

## **SECTION 9. GOVERNING LAW; ASSIGNMENT**

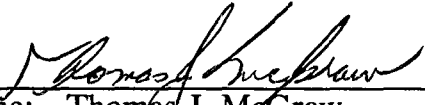

9.1 This Agreement will be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

9.2 Except as otherwise provided in the Indenture, neither party may assign any of its rights and obligations under this Agreement without the prior written consent of the other and the Manufacturer.

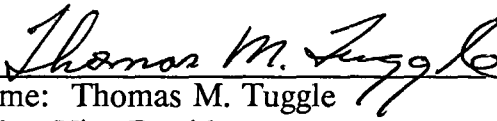

9.3 This Agreement may be executed in any number of counterparts (and each of the parties hereto shall not be required to execute the same counterpart). Each counterpart of this Agreement, including a signature page executed by either party hereto, shall be an original counterpart of this Agreement but all such counterparts together shall constitute one instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

(ii) the Assignee will not be liable for any of the obligations or duties of the Assignor under the Purchase Agreement, nor will the Assignment give rise to any duties or obligations whatsoever on the part of the Assignee owing to the Manufacturer except for the Assignee's agreement in the Assignment to pay the Purchase Price and to the effect that in exercising any right under the Purchase Agreement with respect to any Item of Equipment or making any claims with respect to any Item of Equipment or the goods and services delivered and to be delivered pursuant to the Purchase Agreement, the terms and conditions of such Purchase Agreement relating to such Item of Equipment will apply to, and be binding upon, the Assignee to the same extent as the Assignor;

(iii) the Manufacturer will continue to pay to the Assignor all payments that the Manufacturer may be required to make in respect of each Item of Equipment under the Purchase Agreement unless and until the Manufacturer has received written notice from the Assignee that the Assignee has declared the Lease Agreement to be in default, whereupon the Manufacturer will, until the Assignee notifies the Manufacturer in writing that no Event of Default exists under the Lease Agreement, make any and all payments that Manufacturer may be required thereafter to make in respect of each Item of

Equipment under the Purchase Agreement and the right to receive which has been assigned under the Assignment, directly to the Assignee;

(iv) the Manufacturer agrees promptly to notify the Assignee in writing of any assignment of the Manufacturer's rights and obligations under the Purchase Agreement, or the Manufacturer's title to the Items of Equipment, to a third party in accordance with Section 18 of the Purchase Agreement; and

(v) from and after the delivery of the Items of Equipment and payment in full therefor pursuant to the terms of the Purchase Agreement, the Manufacturer will not assert any lien or claim that arose prior to such delivery or payment against the Items of Equipment or any part thereof.

The Manufacturer hereby represents and warrants that:

(a) the Manufacturer is a corporation duly organized and validly existing in good standing under the laws of the State of New York;

(b) the execution, delivery and performance of the Purchase Agreement and this Consent, Agreement and Limited Joinder have been duly authorized by all necessary corporate action on the part of the Manufacturer, do not require any shareholder approval and do not contravene the Manufacturer's Articles of Incorporation or By-laws or any indenture, credit agreement or other contractual agreement to which the Manufacturer is a party or by which it is bound; and

(c) the Purchase Agreement constitutes a binding obligation of the Manufacturer enforceable against the Manufacturer in accordance with its terms and this Consent, Agreement and Limited Joinder is a binding obligation of the Manufacturer enforceable against the Manufacturer in accordance with its terms.

Any notices, demands, requests, consents, approvals, other communications or payments required under this Consent, Agreement and Limited Joinder shall be given or made in accordance with Section 3.4 of the Assignment.

It is agreed that "Purchase Price" means \$13,989,778.29.

It is understood that the execution by the Manufacturer of this Consent, Agreement and Limited Joinder is subject to the condition that concurrently with the delivery of the Items of Equipment to the Assignee on the Delivery Date the Assignee will lease the Items of Equipment to the Assignor under the Lease Agreement.

The Manufacturer joins in the Assignment solely for the purpose of obtaining the benefits of the provisions in the Assignment relating to the Manufacturer, including without limitation Sections 3.1(d) and (e), 3.2, 3.4(b), 3.5, 4.1 and 7.4.
